Cory Booker
U.S. Senator for New Jersey
One Gateway Center

Senator Booker,

Attached to this letter are documents sent to the entire U.S. Senate Committee on the Judiciary regarding Judge Lucy Koh who has been nominated to the 9th Circuit Court of Appeals; Nomination Number: PN1167-117.

You are an outspoken advocate for criminal justice and law enforcement reforms. If that is the case than based upon the evidence submitted to you and the entire committee you should eagerly desire to vote against the confirmation of Judge Koh to the 9th Circuit Court of Appeals.

Bipartisan police overhaul talks are officially dead on Capitol Hill.

“We weren’t making any more meaningful progress on establishing really substantive reform for Americans’ policing,” said Senator Cory Booker of New Jersey, Democrats’ lead emissary for the talks. Credit...

Booker to Chair Senate Judiciary Subcommittee on Criminal Justice and Counterterrorism

Will be first Black chair of a Judiciary Subcommittee

February 14, 2021

“Our nation’s broken criminal justice system is a stain on the soul of our country, the result of decades of failed policies that have broken apart families and communities and have not made us safer,” Booker said. “The burden of this broken system has been disproportionately and dramatically borne by Black and brown Americans, and the poor. It’s past time for change.” Senator Cory Booker
